

How to use a fast charger (DCFC) on the FLO network

Getting started

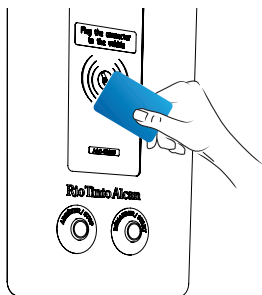

You must be a FLO member to use the charging stations. Go to flo.ca/signup to create an account.

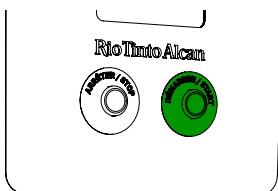

- 1 Locate a charging station online at **flo.ca/on-the-go** or with the FLO mobile app for iOS and Android.

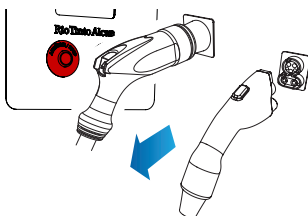

- 2 Plug the connector (CHAdeMO or SAE Combo, depending on car model) into the vehicle.

- 3 Activate the station:
 - Place your card on the reader;
 - OR
 - Select the station in the FLO mobile app and press “Start a session”.

- 4 Wait until the “START” button (located at the front of the station) starts flashing, and then press it.

- 5 Once charging is complete, press the “STOP” button, unplug the connector and replace it in its socket.
